To,

The Principals (NSQF)  
(As mentioned in margin )  
Himachal Pradesh.

Subject: Supplementary module for advance technology to improve employability and future prospectus of IT students in level-III & IV in vocational education .

Sir,

It is informed that this office has conveyed approval to M/s Centum Learning for providing supplementary module for advance technology to improve employability and future prospectus of IT students in level-III & IV in vocational education in collaboration . M/s Centum Learning with the Microsoft Technology is proposed to introduce the supplementary module in IT for students of class XI to XIII , who have chosen IT as vocational subject. This supplementary module is in addition to existing curriculum as prescribed . This program will give exposure to the upcoming technologies like AI , Block chain etc. . Under this intervention besides imparting training to students , M/s Centum Learning will train existing IT trainers on new technology . On completion of training , M/s Centum learning will provide the certificate in collaboration with Microsoft. The training will be work-out with the concerned school administration and within school hours . There will be no financial liabilities on the students and trainers .

You are therefore directed to cooperate and ensure the aforesaid training program be implanted in your school , so that students could be benefitted for future prospects .
