Subject: Adjustment of Vocational Trainers (VTs) rendered surplus from rationalization/merger/closure of Government Schools-reg.

Sir/Madam,

With reference to the ongoing rationalization and restructuring process of Government Schools under the Department of School Education, several schools have been merged, downgraded or closed due to low or zero student enrolment. Consequently, a number of Vocational Trainers (VTs) under the NSQF framework have been rendered surplus or without station.

In order to ensure the optimal utilization of these human resources and continuity of vocational education, you are hereby directed to implement the adjustment and relocation of the following surplus VTs and lab infrastructure within your respective jurisdictions immediately:

1. District Shimla:

GSSS Barach was downgraded to GHS Barach and thereafter closed due to zero enrolment. The post of VT along with the Vocational Lab i.e. tools, equipment, furniture & other relevant record has been decided to be shifted to GSSS Sarot along with VT/VTP deployed at GHS Barach. Transportation cost will be met out of MMER or vocational fund available at DIET.

2. District Bilaspur:

GGSSS Ghumarwin and GBSSS Ghumarwin were merged to GSSS Ghumarwin resulting in two posts/VTs of Retail trade being surplus at GSSS Ghumarwin. It has been decided by the competent authority to shift the seniormost VT presently working at GSSS Ghumarwin to GSSS Railijajri and 2nd seniormost to GSSS Ghagus against the 2nd post of Retail Trade approved at GSSS Railijajri (HMR) and GSSS Ghagus (BLS) respectively. These VTs shall remain on roll with their existing VTP(s).

3. District Kangra (KGR)

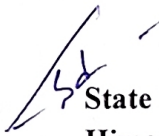

GSSS Dharamshala (Boys) was downgraded to GHS Dharamshala, the adjustment/shifting is required in the following Trades.

i) Automotive Sector

Presently there are two approved posts of the Automotive trade against which Vocational Trainers have been deployed by the Vocational Training Provider (VTP). It has been decided that one surplus seniormost trainer, out of the 2 VTs currently deployed, shall be adjusted at GSSS Mohtli (KGR) against the approved second post. The adjusted VT shall remain on roll with its existing VTP.

ii) IT/ITeS Sector:

Presently, GHS Dharamshala has two approved posts of IT/ITeS. It has been decided that one surplus seniormost trainer, out of the 2 VTs (ITeS) currently deployed, shall be adjusted at GSSS Dharamshala (KGR) against the second post duly approved by the Government. The adjusted VT shall remain on roll with its existing VTP.
