

No. HPSES(SS)-Voc/CBSE-1/26 - 1525
Office of the State Project Director, ISSE
Himachal Pradesh, Shimla-1

Dated: Shimla-1 the 29 Aug, 2026

To,

The Director of School Education,
Himachal Pradesh,
Shimla-171001.

Subject: Proposal for rationalization of Skill Subjects and Vocational Teachers in CBSE affiliated Government Schools – reg.

Sir,

Kindly refer to your office letter No. EDN-H (18)Skill/CBSE/2026, dated 6.08.2026, on the subject cited above regarding rationalization of Skill Subjects presently being implemented in CBSE affiliated Government Schools of the State.

In this regard, it is submitted that **155 Government Schools affiliated with CBSE are presently implementing Vocational Education under the National Skill Qualification Framework (NSQF)**. The matter regarding continuation/rationalization of vocational trades which are presently not available in the CBSE Skill Education Framework has been examined by this office.

It is informed that the trade **Private Security**, presently being implemented in the concerned CBSE affiliated schools, is not available in the current CBSE Skill Education Framework. Accordingly, the matter has been taken up with the **Central Board of Secondary Education (CBSE)** New Delhi for inclusion and consideration of the trade so that the students already enrolled under this trade do not face difficulty in assessment, examination, certification and continuation of their vocational studies.

Further, with regard to the other trades presently being implemented in CBSE affiliated schools, it is proposed that **four Trades may be replaced with similar and suitably aligned Skill Subjects available under the CBSE Skill Education Framework**, keeping in view the alignment of qualification/job roles of the existing Vocational Trainers, as enumerated hereinunder:

Sr. No.	Name of Existing Trades	Existing Job Roles Job Roles	Name of Proposed CBSE- Aligned Trade	CBSE Job Roles	Total No. of Schools
1	BFSI	1. Microfinance Executive (class 9th and 10th) 2. Business Correspondent and Business Facilitator (class 11th and 12th)	Banking	Sales Executive (Banking Product)	1

2	Food Processing	1. Jam, Jelly and Ketchup Technician (class 9th and 10th) 2. Soy product processor (class 11th and 12th)	Food, Nutrition and Dietician	Assistant Dietician	8
3	Plumbing	1. Assistant Plumber General (class 9th and 10th) 2. Plumber General (class 11th and 12th)	Geospatial Technology	GIS Operator	8
4	Telecom	1. Optical Fiber splicer (class 9th and 10th) 2. Telecom Technician-IoT devices/system (class 11th and 12th)	Electrical Technology	Field Technician (other home)	10

The proposed rationalization would ensure continuity of Skill Education in the CBSE affiliated Government Schools while also ensuring optimum utilization of the existing Vocational Trainers and minimizing disruption to the students already enrolled.

Therefore, **instead of shifting the Vocational Trainers of these trades to HPBOSE affiliated schools at this stage**, it is proposed that the existing trades may be suitably mapped/rationalized with the corresponding Skill Subjects available under the CBSE Skill Education Framework as proposed above. In respect of **Private Security**, further action may be taken after receipt of clarification/decision from CBSE.

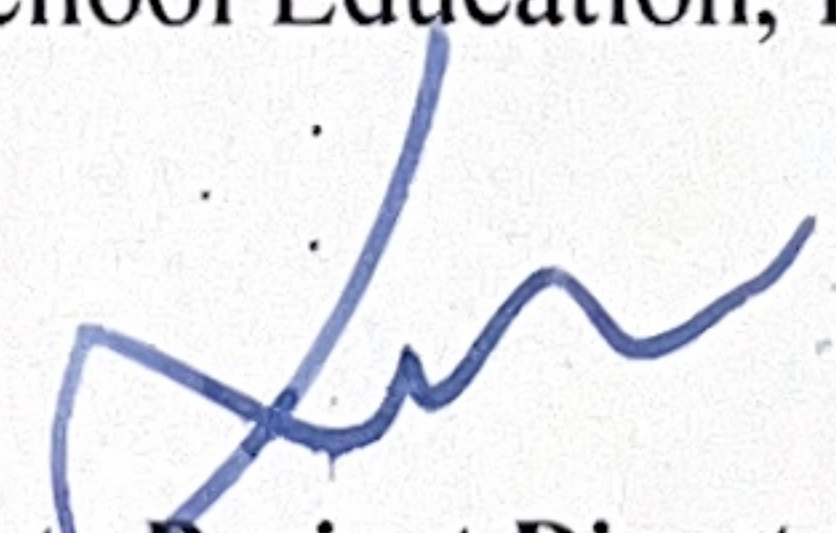

Therefore, requested you to consider the above proposal while taking further action regarding rationalization of Skill Subjects and Vocational Trainers in CBSE affiliated Government Schools of the State.

Yours faithfully,

**State Project Director (SS),
Shimla-1, Himachal Pradesh**
