Subject: Regarding Exit Survey for Class 10 & 12 Vocational Students of the Session 2025-26.

Sir/Madam,

This is with reference to the subject cited above whereby, State proposes to conduct Exit Survey for Vocational Students of Class 10 & 12 for the Session 2025-26.

In this regard, it is to convey that a large number of students are opting Vocational Subject from Class 9 to 12 in the Vocational Schools of the State. But, there is no proper tracking and handholding of the pass out students of Class 10 and 12, such as: number of students placed in Industry, placed as apprentices, opted for ITIs/Polytechnic/B.Voc, and interested for placement in Industry. Based on the Quarterly Review Formats (QRFs) received by this Office from time to time, it has been found that very few students have been reflected in the QRFs.

Therefore, it is important to build an Institutional database of all students of abovementioned Vocational Classes. In order to find the database, an Exit Survey of these students shall be conducted by all the Vocational Schools, so that realistic data is captured and help in the handholding/tracking of these students in future.
